Re: United States v. Tiffany Harris 20-CR-128 (ILG)

Your Honor,

Ms. Harris has been indicted in this matter and is scheduled to appear before this Court for an arraignment on Friday, March 16, 2020 at 11:00am. Ms. Harris has been under the supervision of Pre-Trial services and is in compliance with the conditions of her release. In light of concerns surrounding the spread of COVID-19 (coronavirus), we request that we conduct the arraignment through teleconference as opposed to in person.

Counsel has consulted the government about this request and the assigned AUSAs Gillian Kassner and John Vagelatos, have no objection to Ms. Harris appearing by phone and counsel waiving her in person appearance.

Thank you for your attention to this matter.

Respectfully Submitted,

/s/Amanda David
